## **Daniel W. Weisz Memorial Scholarship**

The Idaho Geological Survey invites applications for the Daniel W. Weisz Memorial Scholarship. This scholarship provides partial financial support for participants of the Natural Hazard Field Workshop for Idaho Educators. In-service Idaho educators who have not previously attended the Field Workshop are eligible. There are no restrictions on grade level or subjects taught. The scholarship carries a stipend of \$100.

### **How to apply:**

The scholarship will be awarded on the basis of a short essay (~1 page, typed).

In 2008, the essay topic is: "*Why outdoor science education is important to me.*"

Enclose the essay with your completed workshop registration form and registration fee.

**Deadline for scholarship applications is July 1, 2008.**

The scholarship winner will be announced at the workshop.
